### **Subject: Linkage Order Handling – Update**

Currently, all products in Bin 5 are using the new functionality that allows for ISE handling of linkage. On Tuesday, June 11, 2013, the functionality will expand to all Bin 4 products.

To complete the transition, on Tuesday, June 18, 2013, the remainder of ISE products will move to the new linkage handling functionality.

Please use the link provided below to know which products are covered.
